Dear Mr. Oasis,

I read with great interest your ad for an organic coffee shop in Dalat serving vegetarian food and am submitting my resume for your review and consideration. As a graphic designer, I understand the importance of logos in branding. Logo is considered as the soul of the brand. Therefore, I would like to contribute my talents to help you find a logo you desire. Besides, I have experience in designing logos and products for many customers in many fields such as food, medicine,... That makes me realize the importance of understanding customers to bring and give them the products they are most satisfied with. After all, a fresh idea, in line with current trends will be a good solution for you, and I will be happy to help you complete it. I look forward to your call. Thank you for your time and consideration.

Best regards,

Sam Johnson
